Governor’s Proposal to Hold Special Election

In general, do you think the special election is a good idea or bad idea?

![Bar chart showing the percentage of likely voters who think the special election is a good idea or bad idea in January and March.]

- **January:**
  - **Good idea:** 66%
  - **Bad idea:** 31%

- **March:**
  - **Good idea:** 51%
  - **Bad idea:** 40%
Governor’s Special Election Proposal

In a special election, voters would be asked to extend—for five years—temporary increases in state personal income taxes, the state sales tax, and vehicle license fee that went into effect in 2009. Some revenues would be diverted to local governments for schools, public safety, and other services. If voters reject the proposal, additional cuts to services would be made. Do you favor or oppose this proposal?

At this time, how much of a problem for state and local government budgets is the amount of money that is being spent on their public employee pension or retirement systems?

% saying big problem

Jan 05: 31%
Jan 10: 41%
Mar 11: 47%
Pension Plans of Government Employees

As the state government looks for ways to balance the budget this year, do you think the state government should decrease the pension plans of government employees, or not?
