

PPIC

**PUBLIC POLICY
INSTITUTE OF CALIFORNIA**

Independent, objective, nonpartisan research

Alvar Escrive-Bou

**ADJUNCT FELLOW, PUBLIC POLICY INSTITUTE OF CALIFORNIA
ASSISTANT PROFESSOR, CIVIL AND ENVIRONMENTAL
ENGINEERING, UNIVERSITY OF CALIFORNIA, DAVIS**

Expertise: Water systems engineering, water policy, climate change policy

Alvar Escrive-Bou is an adjunct fellow with the PPIC Water Policy Center and an assistant professor of civil and environmental engineering at the University of California, Davis. He was previously an assistant professor with University of California, Los Angeles. Before that, he was a senior fellow at the PPIC Water Policy Center, where his research explored integrated water, energy, and environmental resources management. While at PPIC, he examined the options and consequences of transitioning to groundwater sustainability in the San Joaquin Valley, analyzed California's water accounting system, studied urban drought resilience, and investigated energy and climate policies related to water use, among other things. Previously, he worked as a civil engineer, managing and developing large infrastructure projects for local and regional governments and consulting firms in Spain. He holds a PhD and MS in water and environmental engineering and a BS in civil engineering from the Polytechnic University of Valencia in Spain, as well as an MS in agricultural and resource economics from the University of California, Davis.
