Becky Morgan
PUBLICATIONS MANAGER

Becky Morgan is the publications manager at the Public Policy Institute of California, where she oversees the production of PPIC’s print and digital products. Before joining PPIC, she was editorial project manager at Professional Publications, Inc, where she managed the creation of educational content for engineers. She has also been an editorial manager in both trade and higher education divisions at Pearson Education. Becky holds a BA in liberal arts from St. John’s College, with an emphasis in philosophy and mathematics.
