

PPIC CORPORATE CIRCLE

PPIC's Corporate Circle offers a unique opportunity to help spark critical conversations about California's future.

Diverse, engaged, and informed, our corporate circle members believe in PPIC's commitment to advancing practical, nonpartisan solutions to pressing challenges facing California. Members play a vital role in expanding awareness of our work throughout California—and beyond.

PPIC Corporate Circle funds significantly increase PPIC's ability to respond to the state's rapidly changing policy environment. These funds support some of our most prominent activities—including PPIC's annual briefing kit, the PPIC Speaker Series on California's Future, and our Sacramento briefing series. Corporate Circle funds also allow us to respond strategically and thoughtfully to current topics as they arise, ensuring that our work is timely, relevant, and widely accessible.

- Reserved seating at PPIC Speaker Series on California's Future events
