

PPIC DONOR CIRCLE

PPIC Donor Circle members provide essential support for our most effective research and engagement tools.

Diverse, engaged, and informed, our members care deeply about California’s future. They believe in PPIC’s commitment to advancing practical, nonpartisan solutions to pressing challenges facing the state. And they play a vital role in expanding awareness of our work throughout California—and beyond.

Donor Circle funds significantly increase PPIC’s ability to respond to the state’s rapidly changing policy environment. The PPIC Donor Circle is acknowledged on some of our most prominent activities, including PPIC’s annual briefing kit, the PPIC Statewide Survey: Californians and Their Government series, the PPIC Speaker Series on California’s Future, and our Sacramento briefing series. All of these efforts ensure that our work is timely, relevant, and widely accessible.
